The Wisdom Compass: Your 31-Day Journey to Wisdom-Filled Living

New York, New York - December 01, 2010 – *The Wisdom Compass* is an extraordinary new book, which takes the biblical book of Proverbs and brings it into the present as a vehicle for personal transformation. Why Proverbs? Wisdom Compass author Theodore Henderson says, "The answer is simple: The book of Proverbs was originally intended, when first published several thousand years ago, as a *wisdom* guide for those of faith to do what is right and for making sound judgments in sometimes-difficult circumstances. It was written to give us wisdom, instruction, perception, prudence, knowledge, judgment, learning, and advice." Another unique aspect of *The Wisdom Compass* is that the teachings are suitable for all even if they share a different faith or religion.

Henderson asserts that the purpose of Proverbs' lessons is to help people live according to God's wisdom. He explains, "There is a divine plan for each person, but it is up to us to seek and follow its direction. After all, we are creatures of free will, and we don't have to follow the right path."

The Wisdom Compass was written for those who are striving to live life at that next level. The book can provide the steps for planning the journey. Henderson emphasizes, "Don't let wise living slip past you or you will let the real 'good life' and prosperity get away. Remember Proverbs 4:13: 'Hold on to instruction, do not let it go; guard it well, for it is your life.'"

Visit www.thewisdomcompass.com and purchase your copy today either as an e-book or hardcopy and start your journey by reading a chapter a day and doing the straightforward and insightful exercises immediately. Amazon and Barnes & Noble also carry it online.

About the Author

During a career spanning over twenty years, Theodore Henderson has excelled as an articulate, organized, and successful business manager, entrepreneur, consultant, seminar leader, and speaker. He demonstrates a proven ability to build and maintain profitable, long-term relationships with a sophisticated client base. Theodore is a lifelong New Yorker who works with individuals who want to use biblical principles and Christian faith as a guide to success in all the key areas of life: spiritual, social, personal, family, and business. He is also involved in youth leadership training and has taken a special interest in mentoring and tutoring urban youth and the disadvantaged. Theodore is available for speaking engagements, book signings, and career coaching workshops. Please email info@theodorehenderson.com for information.
